PROFESSIONAL EXPERIENCE

Rick is responsible for assisting Project Manager, Sean Fogarty with the overall day-to-day management of construction projects including subcontractor bidding/coordination, job safety awareness, budget management, schedule management, daily project reporting and owner/subcontractor communications. Project types range from high-tech, biotech, commercial, specialty, renovations and product repositioning.

Rick is also responsible for assisting our Estimator with conceptual, fast-track, design build, and hard bid/private projects of all scopes and sizes. Example project types include: high-tech, commercial, laboratory, manufacturing, industrial, multi-unit apartments, town homes and retail.

Major Projects Include:

- Philips Lifeline, Framingham, MA
- EMC, Southboro, MA
- 303 Boylston Street, Brookline, MA
